

## Central Ohio Chapter Members are Winners at The 2009 Glenmoor Gathering

*By JB*

The 2009 Glenmoor Gathering in Canton, Ohio on Sunday, September 20, opened to blue skies, no fog (very unusual), and many spectacular cars (as usual). A number of Arthritis Foundation Committee members were invited to show their cars in this “invitation only” event at the Glenmoor Country Club.

Tim Wilson from London, Ohio, won the First Place trophy in the 1958-1966 Domestic Class. His 1964 Lincoln Continental Sedan, all original with less than 1,000 miles, has been a multiple year winner at the Arthritis Foundation Classic Auto Show and Cruise In, in Dublin, Ohio.

Larry Halter displayed the Model A Fire Truck from the Central Ohio Fire Museum. This beautiful pumper was found in Mansfield, Ohio, and restored by the Scioto Model A Club a number of years ago.

The Brashares Family Foundation Award for the Most Significant Buick went to Bill Thorne from Salem, Ohio and his 1960 Buick Electric 225 convertible. The restoration work on this car was impeccable. (A past winner of this award at Glenmoor was our very own David Landow with his Father's 1049 Buick!).

Angie Ash and her 1953 Buick Skylark Convertible won an Award of Distinction in the 1940-1953 Domestic Class. For a restoration completed in 1989, this car still shows quite well.
