

## Exotic/Performance Events 2011

Hi everyone,

I hope you have survived the winter unscathed and that you had a fantastic holiday season. The snow will soon be clearing and the warmer weather means it will be time to wake our sleeping beauties for another great season of automotive cruises and gatherings.

Below are some events for your consideration and support. Please mark your calendars and invite your fellow exotic/sports car owners, club members, and enthusiasts. I look forward to seeing you again this year. Shoot me an email if you have other events you would like me to promote.

If you are interested in displaying your exotic at the Columbus International Auto Show this year - please contact me. Thanks to Giorgio who displayed his 355 Spyder last year!

Whether you prefer the excitement of poker runs and driving country roads or you'd like to put your car in park and enjoy a day at the camp – the choice is yours. This event is open to all sports cars and sports car enthusiasts who love to rally around a great cause: providing magical, transforming fun for kids with serious illnesses.

### **Saturday, July 9 - Arthritis Auto Show**

**Location: Dublin Metro Place, Dublin, Ohio**

Join us for the 2011 Arthritis Auto Show to help fight a horrible, debilitating disease. Thanks to everyone who participated last year - we had 18 beautiful Italian exotics and we hope to have more in attendance this year. Enjoy a day of more than 1500 cool cars, trophies and friends. Marques this year include:

- CHEVROLET: Honoring 100 years of Chevrolet.
- VOLKSWAGEN: Celebrating 75 years of Volkswagen
- JAGUAR XKE: Honoring 100 years of Jaguar XKE.
- FORD EXPLORER: Celebrating 100 years of Ford Explorer.

We need trophy sponsors again this year for the Italian car section. A \$300 sponsorship will get your company on street signage, a flyer or coupon in the registration bags, and the opportunity to set up a tent to display your products and services. [Contact me](#) if you are interested.
