

Jaguar Show-Within-A-Show: Challenge Championship

The July, 2011 Arthritis Foundation Classic Auto show will also be the setting for another celebration. The Jaguar Association of Central Ohio, as a regional member of The Jaguar Clubs of North America, will be hosting a national show to commemorate the 50th Anniversary of the introduction of the Jaguar E-type. This “Show-within-a-show”, called the Challenge Championship, will expand to four days for this year only and will include other activities such as slalom and rally as part of the festivities.

Efforts are underway to assemble the largest collection of external bonnet lock E-types signifying the first production models. Jaguars from all over the country are expected to attend making this the largest assembly of this famous marque likely to be seen in this area.

The call goes out for anyone with a line on a Jaguar we may not know about to contact us for inclusion in this event. For more information contact: Jim Baker, 614-846-7032, xjjim@columbus.rr.com or jcna.com.
