

## TV 6 – Fox 28 News Official 2009 Classic Auto Show Sponsors

On Friday morning, May 29, a number of us headed down Route 33 (no, not Route 66), to the TV 6 – Fox 28 – ABC station in Columbus, for a PSA photo shoot coordinated by Nick Popa of Pepsi. Michael Johnson, along with daughter Tracy brought their 1966 Mustang convertible. This beautiful car was restored by Mike and Tracy.

Maggie Matessa, our Jingle Bell Run Arthritis Foundation poster child, along with her Mother Angie, are featured in the spot along with TV-6 Anchorman [Andy Dominianni](#).

We have included pictures of this event and thank Pepsi and TV-6 for their continuing contributions to the Classic Auto Show and Cruise In.

Mike and Tracy own the wheels. Andy, Maggie and Angie are ready to take a spin in this 1966 Mustang.

Here's Maggie and Andy "priming" for the TV camera.

Here is Maggie working with Andy to rehearse her lines.

Just a little bit taller and she'll be ready to roll.
